CARE

Our Felt is 100% German wool felt, a naturally renewable and recyclable material and because of its wool properties, this product is not suitable for washer and dryer cleaning. If soiling should occur, please spot clean with warm soapy water or dry clean.

A REAL BASKET CASE.

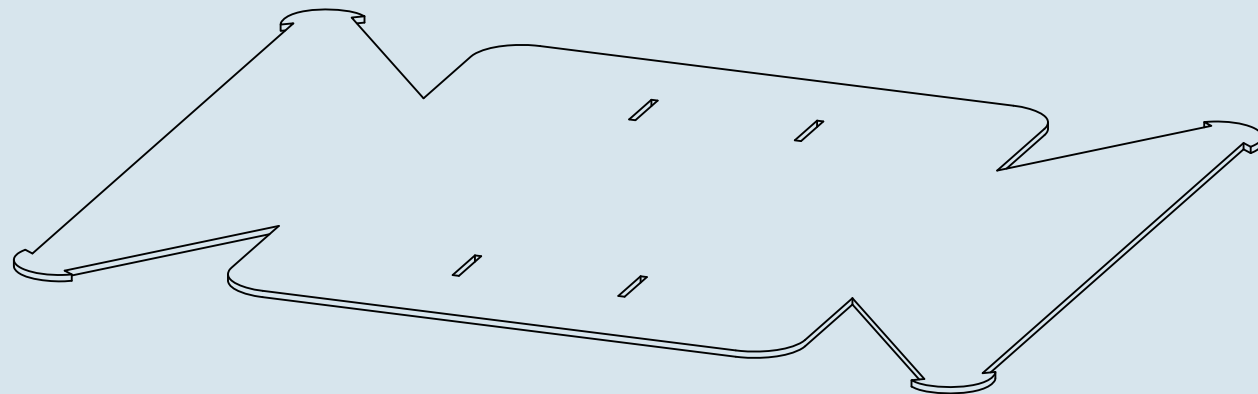

Felt rises to the occasion in these cleverly designed soft storage baskets. Tabs and slots are used to transform flat cut felt to functional and fetching repositories for magazines, mail, knitting supplies and small house pets.
