

Jibe Collection

DESIGNED IN 2012

ASSEMBLY NOTES | REV 00

NOTE

While this furniture is designed for outdoor use, it may be wise to store furniture inside or protect during winter months or seasons when not in use. This will not only prolong the life of the furniture but keep it looking great for years to come.

CLEAN

Vacuum your upholstery regularly. For leather furniture dust regularly with a dry cloth.

SPILLS

Act quickly with spills. Absorb the spill with a clean white cloth or paper towel. Never rub the surface. Do not use water or other liquids to clean, as they may cause stains. Consult a commercial cleaning specialist for removal of stubborn stains.

AVOID

Keep furniture out of excessive direct sunlight and away from heat sources when not in use; excessive exposure to sunlight may cause color fading. Avoid placing heavy or sharp objects on the furniture surface for long periods of time; this can cause permanent surface indentations. For snags in the fabric, tuck loose threads into fabric or carefully push to reverse side. Never pull out or cut off loose threads.
